

NEUTRAL CLEANER

PRODUCT DATA SHEET

PRODUCT DESCRIPTION

Catalina Chemical's Neutral Cleaner is a uniquely formulated, heavy duty, neutral pH cleaner designed for cleaning and maintaining all types of natural stone surfaces. Many common household cleaners can etch or damage glossy or polished stone surfaces. Catalina Chemical's Neutral Cleaner does not contain abrasive ingredients but is strong enough to loosen and remove dirt and grime.

RECOMMENDED SURFACES

Designed to clean and maintain Terra Cotta Tiles, Terrazzo floors or any other type flooring. Well suited on Marble, Porcelain, Quarry Tile, Brick Pavers, Slate, Stone, Concrete, Mexican Saltillo, Travertine, Granite, Asphalt, Vinyl, and Rubber Tiles.

NOTE: CAN BE USED ON ANY SURFACE NOT HARMED BY WATER.

APPLICATION

FOR CLEANING ALL TYPES OF FLOORS: Add ½ cup Neutral Cleaner Concentrate to a pail of hot or cold water, and damp mop in the usual manner. If floor is unusually dirty, let solution soak loose dirt, then pick up dirty solution, rinse, and let dry.

FOR RECONDITIONING EXTREMELY ABUSED FLOORS: Add 1 ½ - 2 cups of Neutral Cleaner Concentrate to pail of water. Apply liberally to the surface and let stand a few minutes. Machine scrub until the surface is clean. Rinse well and let dry. Floor is now ready for refinishing.

FOR CLEANING ANY SURFACE: Walls, wood work, marble, blinds, etc. Add Neutral Cleaner Concentrate to bucket of water, apply with sponge in a small area at one time. Rinse with sponge and clean water.

TECHNICAL SUPPORT
